

SAVING THE PLANET HAS NEVER BEEN SO MUCH FUN

On April 17, celebrate the 10th Annual Earth Day Living Green Festival at the Oxbow Eco-Center. Discover all the easy things you can do to help preserve St. Lucie County's greatest treasures while enjoying great live music, a children's *Parade of Animals*, and lots more fun activities. The Festival runs from 10 a.m.– 3 p.m. and is free for the whole family. For more information please visit OxbowEco.com or call (772) 785-5833.

A raccoon is positioned on the left side of the text, looking towards the right. A monarch butterfly is located below the word 'IDEAS'. A compact fluorescent light bulb is on the right side, partially overlapping the text.
